

Arisaig Provincial Day Park

Overlooking the warm waters of Northumberland Strait, this area is world renowned for its fossils and offers a fascinating window to life on Earth some 443 to 417 million years ago. The day park provides picnic

tables, great walking trails, washrooms and an interpretive kiosk, to help ensure an interesting and enjoyable experience. The area offers remarkable scenery, natural beauty, history and friendly people who are proud to share their heritage and points of interest with visitors.

Geocaching

Come & explore our community with your GPS and discover nearby hidden Geocaches such as Arisaig Light, Frenchman's Barn, Bushwhacker's Cave, Fossil Find, Rural Roots and many more. Check out Geocaching for more information at www.geocaching.com.

Community – Spirit – Heritage

<http://arisaigns.com/>

Take a drive along Highway 245 and enjoy the natural beauty, history and friendly, welcoming residents of Arisaig and surrounding communities; located along the Northumberland Strait on the **Sunrise Trail**, 30 km northwest of Antigonish.

Arisaig Harbour

Established 1813

23 boats currently fish out of Arisaig, fishing for lobster, herring, Bluefin tuna, rock crab and scallop

Known for world class fresh lobster

Managed by Harbour Authority of Arisaig

Boats are owner operated – average size is 40 feet; diesel powered

Each captain employs 1 or 2 helpers; supporting 50 local families

Most fishing licenses have been in the same family for generations.
